

THE BRIDGE

Transitional Housing

The Bridge exists to provide a non-profit, faith-based transitional housing service for women and children focusing on their physical, intellectual, emotional, and spiritual needs.

Greetings from The Bridge!

On behalf of The Bridge Board of Directors, I would like to take the opportunity to thank you for your ongoing support of The Bridge Transitional Housing ministry. We are currently serving women and children who were living in unsafe environments or experiencing difficult life circumstances. The Bridge ministry is necessary to fill the gap that is not currently provided by other services and ministries in our area. Since opening 9/5/2008, we have had an outstanding number of referrals, and multiple families/women are currently receiving services that are provided through this ministry.

We would like to ask that you continue to pray for this ministry and consider continuing to partner with us through ongoing support or a one time monetary gift. If you would like to continue to be involved in what God is doing at The Bridge, please contact us and a letter of commitment would be greatly appreciated. Also, we are willing to visit your mission/outreach committee or congregation at your convenience to share about this ministry.

Sincerely,

The Bridge Board
